

How to Download Imago Dei Christian Community Messages from iTunes to your iPod(3/07)

➤ Open iTunes software, & click on “iTunes Store” in left column:

➤ In the top left box labeled, “Search iTunes Music Store”, type in “Imago Dei Christian Community” & press <Enter>

- iTunes displays all listings that match that search phrase. (In this case, we are the only item that matches, so it is listed as the sole entry above.)
- At this screen, you may opt to click on the “**Subscribe**” button to automatically download all new Imago Dei messages each time you open iTunes. However, if you wish to instead select individual messages, you will need to go to the Imago Dei podcast list page by clicking on the **grey rightward facing arrow** ➔ that is next to the words, “Imago Dei Christian Community”...

- On this page, you have the option to select individual podcasts by clicking the “Get Episode” button on the right column of the podcast desired.
- When you click the “Get Episode” button, iTunes will begin to download the MP3 file. Depending on your internet speed, it can be as quick as 5 seconds or as long as 20 minutes.
- In any case, it will be saved in your Library under “Podcasts”....
